Participant Initials	Parent/Guardian Initials	Please read and make sure that you understand and are able to fully commit to all of the Champions for Charity events and expectations. Parents/Guardians please initial stating you understand and support your child's commitment to participating in the C4C events.
		I understand that first and foremost, Champions for Charity(C4C) Events, including the McHenryball Tournament, are fundraisers for charities and nonprofit organizations.
		The C4C Champions will be determined through multiple opportunities for my team to earn points, including but not limited to: my team's sportsmanship, team spirit, final place in the McHenryball tournament, donations for concessions, parent volunteers for the C4C Social on Friday, February 21 st , and the after-school McHenryball Tournament on Tuesday, March 3 rd .
		I have included my \$10 or \$15 registration fee, which gets me a team T-shirt and entry into the McHenryball Tournament. Make checks payable to NPMS with "C4C registration" on the note.
		I have completed BOTH SIDES of the Liability/Waiver form.
		I will work to raise money for the charity my team chooses to support. This includes helping my team with an activity or item to sell at the Social on February 21 st .
		I will attend the C4C Social on February 21 st and the McHenryball Tournament on March 3 rd . Opportunities to support will include donating concessions, parent chaperones, and attending the events.
		Any photos or videos taken in conjunction with the C4C events can be used for recognition and promotional purposes by the organizers of the C4C events and the charities being supported.
		If I am a McHenryball playing member of my team, I will be present for the McHenryball tournament on Tuesday, March 3 rd , until my team's games for the day are over, which will be no later than 6:30pm. I will be available to play if my team makes it to the in school assembly semi-finals and finals on Friday, March 6 th . MARK N/A if you are a non-playing team member.
		I understand that students who get an In or Out of School Suspension during 3rd quarter will be disqualified from playing in the McHenryball tournament. Ineligible players are still a part of the team and should continue to raise money for the team's charity and support their team and charity. They do not get a refund for their registration fee.
		All participants will meet the FNSBSD's Academic Eligibility Guidelines to participate. Participants must have a 2.0 GPA and no more than one F by the Friday before the tournament. Grades will be pulled after school on Friday, February 28 th . Ineligible players are still a part of the team and should continue to support the team's charity.
		I will wear elbow and knee pads during the McHenryball Tournament games. Elbow and knee pads will be available to borrow during games, but students are encouraged to bring their own.

After reading and agreeing to the above statements, I give my child permission to participate.
